Date : 03/07/2023

**NOTIFICATION**

**Subject : Introduction of new subjects – Data Science and Artificial Intelligence**

**Attention : All Heads of Higher Secondary Institution who have been allowed to introduce these subjects**

It is notified that Data Science and Artificial Intelligence have been introduced in the H.S curriculum from 2023-24 academic year .

As instructed , I am to inform you that the Council will arrange a training programme for the teachers of these subjects in collaboration with Jadavpur University. The training for the first batch will be organised in July-August, 2023. The teachers will be trained by the subject experts of CSE Department from Jadavpur University . In this training schedule , the teachers will be introduced with these new subjects and the prescribed syllabus and question pattern for Class XI and XII and they will be trained for providing quality education to the students [ both theory and practical ] .

A detailed schedule in this regard will be published very shortly.

[ Tapas Kumar Mukherjee ]
