No :   L/PR/192/2023   Date : 30/10/2023

NOTIFICATION
Attention : All Heads of Higher Secondary Institutions , subject teachers , students of ARTI/DTSC

Subject :   Uploading of documents related to ARTI/DTSC – Class XI

I am to inform you that the revised syllabus of Artificial Intelligence [ARTI] and Data Science [DTSC] for Class XI along with Question pattern and study material for these two subjects have been uploaded under Download Center of our website. These documents are freely downloadable and may be used by the subject teachers and the students.

As the Council had already uploaded syllabus on ARTI and DTSC earlier, this may create an unnecessary confusion amongst the teachers and students. It is being stated that some minor portions of the syllabus have been kept aside only for the current academic session. So, all concerned are requested to follow the syllabus being uploaded with the current Notification.

Regarding the study materials, the Council has currently uploaded the English version of the material. In a very short period, the Council is planning to come up with the Bengali version also.
