NOTIFICATION

Attention : All Heads of Higher Secondary Institutions

Subject : Shifting to complete online mode

In our earlier Notifications [Memo No. L/Secy/138/2023 dated 18/09/2023 and L/PR/179/2023 dated 6/10/2023], the schools were categorically informed that **the Council will not receive any further academic application in offline mode.**

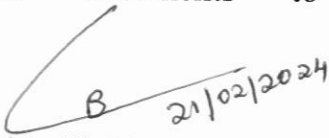

It has been found that some schools are still sending applications through post / mail or approaching the Council to accept applications by hand.

Please note that, action will be taken only on applications submitted through online portal.

Please refer to the User Manual given in Sansad Parichiti 2023 and in case of any problem or query related to working with the online portal , please mail to hsacademic24X7@wbchse.net.

Please note that, if any application submitted through online mode gets rejected, the school should see the reason of rejection and send the documents as asked for through online mode only. These documents should **not** be sent through mail or through any other mode.

For the schools who have submitted applications in 2023 through offline mode, the query letter or the final approval letter will be sent to their registered mail id. No letter will be sent to the postal address of the school . In case of query, the schools are being requested to scan the needed documents as asked for along with the query letter sent by the Council and send the scanned documents to hsacademic24X7@wbchse.net.
