No. L/PR/ 71 /2024

Dated: 18.02.2024

NOTIFICATION

Attention: All the Heads of the Institutions and other Concerns

It has come to the knowledge of the Council from different sources that students of several schools were not able to fill up the registration forms for appearing in Class XI Examination, 2024 till date. It is also very unfortunate that few of the institutions did not fill up the registration forms of their entire students solely out of their own negligence. Under the circumstances, considering the interest of the students and repeated requests from the schools, we decided to open the online portal for filling up the registration forms on **14.03.2024 to 16.03.2024 (03 days) from 10.00 a.m. to 6.00 p.m.** at respective Regional Office. The HOIs/Representatives of such schools, whose students are appearing in the Class XI Examination this year without registration certificate, may come to the concerned Regional Office of the Council along with all necessary documents and register their students by providing their satisfactory explanation and deposition of requisite fees & additional fine.
