NOTIFICATION

Attention : All Heads of Higher Secondary Institutions

You are being requested to check the Category and Renewal of Recognition details of your Institution, if your Institution is mentioned in the attached document. This is very urgent because the schools will not be allowed to register their Class XI students for the academic year 2024 if their Renewal of Recognition is not up-to-date and the school has not filled up their teachers' profile in the online portal.

The said document is sorted in ascending order of the Institution Code .

Please note that, Recognition year is blank against some schools and for the rest, the Renewal of Recognition is not up-to-date, as per Council records. In case, any inaccurate information is found against any Institution or any field is found vacant , please share the correct information with us through a mail to hsacademic24X7@wbchse.net .

Please mention correct Institution Code in the mail and attach the requisite supporting documents.

If your Renewal of Recognition is not up-to-date as depicted in the attached list, you are being advised to apply for Renewal of Recognition immediately [within 31st May,2024] through the online portal.
