No.: L/PR/327/2025

Dated: 18/06/2025

NOTIFICATION

**Attention: All Head of the Institutions and students
of Class XI under the purview of the Council**

This is well known that the Council does not collect any examination fees from the students of Class XI, as those examinations have been conducted by the concerned institutions from past few years. Accordingly, the institutions have been collecting the mentioned fees as per their convenience since then. Thus, several Head of the Institutions/teachers/DAC members have requested the Council to fix a uniform examination fee of Class XI for the interest of the students and institutions.

Now considering all aspects, the undersigned is pleased to notify all stakeholders that the institutions affiliated to the Council are entitled to collect an amount of **Rs. 70/- per student** in each of the semesters including the Supplementary Examination(s) of Class XI from the students being the **Examination Fees** of the respective Semesters with effect from the Academic Session 2025-2026.

Please note that the entire amount thus collected, has to be utilized for the purpose for which it is collected.

All concerned are requested to take necessary action accordingly.
