- At the time of filling up of Option Form, in some of the cases, the candidates may not be permitted to continue their studies with existing subject combination as per the registration certificate due to some technical issues. For those cases, either the candidates will choose another subject(s) from the concerned set of subjects, or they have to drop the subject(s) from the registration certificate. For all such cases, an undertaking must be submitted by the candidates to the respective Regional Offices of the Council in person.
- The students, who like to continue their studies under the Old Annual System, do not require to fill up the Option Form. They will be given the chance to appear in H.S. Examination under Old Syllabus by filling up of Enrolment Form in due course of time.
- The registered candidates (eligible as per regulations) who have not yet passed in Class XI under Old Syllabus, have to re-register with the Council mandatorily under Semester System. Their existing registration certificates have already been cancelled. The concerned schools need to contact the respective Regional Offices of the Council immediately in this respect.

All concerned are requested to note the above points and take necessary action accordingly.
